“ *I do not know where to start or even where to end. My heart is broken in so many pieces. I am still in disbelief. It feels like a nightmare, and I can't wake up. These past few days I prayed and hope you would say OK let's go home. Then I realized you did go home a better home where one day I'll see you again. We can play your favorite game trouble as we used to always play when I used to go visit. Chicago visit will never be the same without you there. I will never forget you. You will always be in my heart. You know how much I love you and how much I enjoyed our visits.*
