“ We will always remember pretty Maggie as a sparkling personality!... so warm and giving to others. She always wanted us to visit her and Luis so she could cook for us....so sweet. Bubbly, kind, and a totally beautiful person, inside and out, having known them for years from the studio. We cannot express how saddened we were to hear of Maggie's passing. We did not know until today, and. from our hearts,--- deepest condolences and love to Luis and the whole family....we need more people on earth like Maggie.

“ *Magdalena was absolutely lovely to work with - professional, kind and overall good at her job. Although I never had the opportunity to meet her in person, I can only imagine the void that her passing has left. And she will be sorely missed. My condolences to her family, my heart is with you during this tragic time. Sincerely, Lily Pike*

“ When we first met in 2009, we connected instantly. I remember dancing and talking with you like it was yesterday—such warm and joyful moments. Tony was always in awe of you, and it was easy to see why. I will forever treasure those memories in my heart. I'll miss you dearly. Rest in peace, my sweet Magdalena. Until we meet again.
