“ *Manny is still with us in spirit! I entered a church this week while in Poland and said my goodbyes to my great Boricua friend, and I felt his warm spirit and humor confirm that we will Parranda when we see each other again! You will be missed but never forgotten. My thoughts are with Manny and his family.*

“ *Junior, may you rest in peace, I will always remember you as you were when we all lived on Hoyne. Treasure the memories for it is all we have left and to your family may god give them peace at this difficult time. God Bless you all, With love from an old family friend.*

“ *My sincere condolences to Alvarez family.  
I know Manny as a colleague for several years now. It is still hard to believe that he is not with us anymore. I will miss his warm smile, jovial nature, kind spirit and generous heart.

“ *To Manny's loved ones. You have my sincere sympathy for your loss.  
What I will miss most about my colleague, Manny, is the warmth of his smile and greetings. I came to know Manny only within the last 2 years. He was one of the most approachable engineers I have encountered. He was smart, humble, and considerate such that he would adapt to meet you on your level. I cannot recall any negative conversations with Manny; he could express his opinions openly but his views always embraced an 'upside'. If you were on his team, you could count on being appreciated, often applauded for your contributions. The picture posted for the obituary is a wonderful representation of his persona. With heartfelt condolences,
