“ Rexann, We were very sorry to hear about your moms passing. Sonny's mom passed away last year, and my mom just passed away seven months ago. I will keep you and your family in my prayers through these very trying times. It's so weird that I saw this post because I just talked to Mary Jane a few days ago, and we were talking about grade school and all our old friends and wondering where they are and what they are doing. Sonny and Phyllis thank you for your kind words. Sorry to hear about you mom as well. I think of the old school days as well. I was just talking about the both of you this past weekend. My niece Marge does estate sales. Had one in EP on 80th. I met your cousin Paul who lives on Fletcher. One thing led to another and your names came up. I told him about the time Sonny was coming home from work on the train and he helped me get my handicapped son off the train. What a surprise to see him
Came upon this site by accident that's why I am responding so late.
Hope all is well take care.

“ Our deepest sympathies to you on the passing of your dear Mom. Rexann, I remember your Mom so well from when I came over to play with you when we were kids. Ed remembers being in school with you Rexann. I still think of you all when I pass your house on 76th Ave!!! You are in our hearts and prayers at this difficult time. Kathy, funny as this sounds you have been on my mind. I still live in the same house so I pass the house you grew up in everyday. I remember you and Ed as if I was with you yesterday. What I didn't know is that you were married to Ed. Jim Murphy told me that Ed lived across the alley. What a small world. Thank you for your kind words. I just happen by accident to come upon this site. Take care. Rexann
