“ My Lola (grandma) is the most forgiving person I know. She loved to laugh and consistently reminded me when I was growing up that when you start your day with a smile, it will bring you luck the whole day. She pushed me to be focused and be the best version of myself in all my endeavors. Lola, you positively impacted my life and I wouldn't be the best version of myself everyday without your words of wisdom and guidance. I will cling to those very happy memories we have. I love you, Lola and will always carry you in my heart and mind. 'Til we meet again. ❤️
