“ *I've known Aunt Maria-Helena since I was around two or three years old. She has this way about her that makes you feel so at ease and at peace in her presence. I always felt this sense of warmth and sincerity whenever she greeted me at church or some church related function. You could tell she was a deeply caring person and that she was motivated to live her life based on love and faith rather than boosting her own ego or seeking some personal gain. I was sad to hear of her passing. Wishing Uncle Maarten, Reony, Abel and their families love and support during this challenging time.*

“ *We are very sorry for your loss. I have very fond memories of when the entire family visited us in Evanston, and I got to meet Helena. We chatted in Portuguese and we had such a lovely evening. When my first son was born she sent him a gift, even before she met us! I was touched by Helena's generosity. Um abraço a toda a família. Lilia Botelho, Daniel, João e Sebastião.*
