“ I was so sorry to hear about Lucy. She was a wonderful, loving and thoughtful person. I was one of Lucy's clients. I haven't seen her in a while but I thought about her so often. She will be missed. RIP my friend. You will be missed!

“ I'm so sad to hear of Lucy's recent passing. We knew each other for 31 years! I met her when I was 19 and became her client. Through the years she took care of all my self care needs with facials, waxing and electrolysis. We became good friends and exchanged so many stories in the various chapters of our lives! I'd like to think of her eternally lounging in her pool giving everyone life advice! I'm sure the angels are singing as they welcome her to God's kingdom. I loved you so much my friend and will miss you. I hope your heart is happy and peaceful in this everlasting life. Love always, Kelly Radtke xo

“ My daughter and I are saddened by Lucy's passing. We both were her clients for many years and considered her to be a friend. She is now in the hands of the Lord she worshipped throughout her life. Rest In Peace, Lucy.
