

Mr. Mark Joseph Milford of Hoffman Estates

June 20, 1959 - June 2, 2024

Mark Joseph Milford, 64, of Hoffman Estates, Illinois.

Loving husband of Minerva Milford, née Sotelo; devoted father of Brittney (Lukasz Cholewa) Milford and Mark Anthony Milford; cherished brother of Michael Milford, Ronald Milford and the late Richard Milford; son of late Silas and Pasquina Milford, née Paoli; loving uncle of many nieces and nephews.

Mark was a dedicated and loving husband, father, brother, brother-in-law, uncle, and friend. He enjoyed finding projects in his yard, taking care of his many fish tanks, and talking about Michigan sports teams. He was a proud alumnus of the University of Michigan where he received a Bachelor of Science and Michigan State University where he received a Master's in Forensic Science. He was known to have the best memory, remembering every detail from every event and conversation he had. Mark always anticipated the needs of others and often surprised his loved ones with well-thought-out gifts. He had a strong passion for his job as the Assistant Laboratory Director at Northeastern Illinois Regional Crime Laboratory and enjoyed sharing stories from the lab. He touched many lives, shared many memories, and will be greatly missed by his family and friends.

Visitation will be held on Sunday, June 9, 2024 from 2:00 P.M. to 7:00 P.M. at Morizzo Funeral Home and Cremation Services, 2550 West Hassell Road,

(Northwest corner of Barrington Road), Hoffman Estates, IL 60169. “ I’m sorry for Mark’s passing. I had the pleasure of knowing him professionally, and always enjoyed his pleasant and professional demeanor. His great qualities always came through to everyone.

“ I am sorry to hear of Mark’s passing. I knew him only in his professional life as a forensic scientist. In that experience I found him to be a true professional only interested in the truth and while he was employed by a governmental agency that did not mean that he only served the interests of the government. He was always willing to take the time to assist lawyers in understanding science and why his results were correct, He could take complicated issues and make them understandable. He earned and had the respect of the legal community of Lake County.

“ *The loss of Mark has been hard for all of us at NIRCL, but we can't even begin to imagine the loss his family is feeling. Mark was a true mentor and I will miss all of our meetings about quality, but what I will miss most of all is our Michigan/Michigan State rivalry. This picture was when Michigan recently won the National Championship and I bet against them and had to wear a Michigan hat, as Mark dragged me around from section to section to make sure everyone saw it! I will miss these times but will always remember them fondly. Sending love and prayers to the Milford family in this time of tremendous loss.*

“ *It was not even a year ago since Brittney and Lukasz got married and we became a family. We really enjoyed our gatherings and all the moments spent together and we were looking forward to spend and celebrate many more times with you and our children all together. It won't be the same without you. Our plans and dreams are not the same as God's plans. It's very hard to understand and process these kind of situations but we hope that it all makes sense in the afterlife. This helps us to reflect on how fragile our lives are and how much we should cherish the time we spend with the ones we love. We believe that we all will be reunited someday when our time comes so we won't say goodbye but see you later. Rest In Peace Mark.*

Minerva, Anthony, Brittney and Lukasz you are in our thoughts and prayers in this difficult time.
