AP

“ One of my favorite memories of my cousin - When I was a little girl, we took a big family trip to Disneyland. Needless to say, I'm sure I was having the time of my life but I ran myself ragged. My big strong cousin literally threw me on his back piggy-back style and gave me a break as we walked to the different parts of the park in some serious California sun. I'm sure I didn't thank him at the time but I've never forgotten. Thank you Cousin, sending you love love to carry on your back as you embark on your next journey. Love you, Ashley
