“ I have wonderful memories of Mary Ann. We worked right next to each other for many years at Century 21 Elm. I think of her whenever I make her recipe for Cracker Almond Cookies...simple and so good.

*She gave me a number great recipes; like her Crock Pot Italian Beef. Always a winner.*

*Four or five of us at the office went through a period of alternating days and bringing in lunch for the group of us. (It was suppose to help us lose weight! HA!) Mary Ann put us all to shame. And her homemade contribution to our yearly "Brokers Open" was always the first to go. Okay, it does seem like many of my memories of Mary Ann revolve around food...but what can I say? She was an excellent cook.*

*Of course, she was much more than a good cook...she was a great real estate agent and a good friend. She cared about her clients and they trusted her. I trusted her as well. She was direct, funny, had a great laugh, loved a party and could tell a good joke. We laughed a lot and I will miss her.*

*My deepest condolences to her wonderful family. She was so very proud of all of you.*

“ *Mary Ann will always be Mrs Griffin to me having grown up hanging around the Griffin home on Fenton Ln. Years later I had the pleasure of working with Mrs Griffin at Century 21 Elm. I was always happy to see her warm smile and get an update on the whole Griffin family. She will be missed by many!*

My deepest sympathies to the Griffin family. I feel very blessed to have known Mary Ann. Every Wednesday when I would pick up the key for our prayer meeting we used to talk. I'd ask her for any prayer requests she had, we would hug and I would leave very warm feeling. I did call her in March when she was at the hospital. Vince gave me the phone number. I wish I had called again. My prayer is for strength and healing for all who mourn Mary Ann's loss. I am one of them.

“ Mrs. Griffin had a wonderful life and was blessed with the family she had. It is no doubt a heartbreaking loss for her family. In time it will be the cherished memories that will bring a smile. For example she instilled a love of cooking in her daughter Kelly.

To Kelly & the extended Griffin family I wish you all peace. Your mom was a kind and loving soul who brought happiness & love to everyone she met. As a kid the sleep overs & birthday parties at the Griffin household where some of my best childhood memories & how your mom was always so welcoming. Rest In Peace Maryann you have earned the privilege of being with our lord & savior.

Gina, thank you so much for sharing your kind thoughts. My mother-in-law was a very special person. And you're right, she was a great chef and passed on many of her wonderful culinary talents to Kelly. My children and I have been the beneficiaries of her skill and tasty recipes.
