“ As a mother all I want to do is take the pain away that you are  
experiencing with the loss of Meadow. Although you may not realize  
it now, you will come to know that she drifted into our lives for a  
reason and we can rejoice in the knowledge that she is in heaven  
with our Father. She is surrounded by her grandmother and several  
great-grandparents and she is without pain.

*Please know that Meadow was loved very much during her short  
stay with us, and I look forward to the day I will see her again. I love  
you all.*

“ The sadness you are feeling is one of the hardest things to  
experience in life. There are no explanations or solutions this side of  
heaven, but we do know that Meadow is in perfect health and  
surrounded by love in heaven; she is with God. Sending you love  
and sympathy.
