“ Wendy

So sorry to hear of Michael's passing. We had some great times! Hooked up with him in 1978 through Andy. At that point on I knew he was someone special, He would give you the shirt off his back if need be. I never needed it but good to know it was there. I am glad I was able to sit and chat with both of you at St Alexis shortly after this all started. That meant a lot to me, a real lot. He will be missed and loved by many. It seemed that their was something magical about him. Not quite sure how to describe what it was but it was magical.

“ *To the Delaney Family,
Sorry to hear of Mike's passing. I enjoyed working with Mike at the Ryder/Cicero shop. He was always a fair and honest manager. The world is a lesser place without Mike in it. My thoughts and prayers are with you and your family at this difficult time.

“ To the Delaney family and Friends:
Today I heard of Mike's death and wanted to extend my condolence to you all. Being a former work mate of Mike for several years, I got to know him as a good team leader and manger as well as very good person to work with. I remember him as one who would share his knowledge and experience with us (the Technicians) and at the same time had the insight when to leave us alone. Being retired now and a full time Minister, one bible scripture that has comforted many is found at Revelation chap 21 verse 4-5. There we have God's promise that one day all sickness, death and pain will be eliminated forever. So as you treasure your memories of Mike, remember the promise of the one who as Titus chap 1 verse 2 says "can't lie." I'll pray for your family.
