“ *I was one of Mike's caregivers during his stay at Westbrook. Mike had some really tough days, but he never lost his sense of humor and never broke down. There were days where words would escape him, but he would still make a sarcastic comment or a joke to make us laugh. He was a strong man with a great heart and will be dearly remembered by his friends and caregivers at Westbrook. Rest In Peace Mike.*

“ *Dear Rich, Bill, and Beth,
You know how much we loved your mother and your father. We have so many wonderful memories of times we shared with them and all of you! All the chasing after each other as we'd or you'd move to one state after another, and our friendship just never changed. You don't get too many friends like that in a lifetime, and we will miss your dad more than you know. Thank you all for everything you did for him in the years since his health took a downturn. He knew how much you loved him, for all the care you took. We look forward to sharing lots of good stories with you when we see you soon.
Love, Elsie and Tony*

“ *Michael would come up to the front desk periodically and talk with me. After a few visits, I would notice he had his eye on the candy dish that had just been filled. He would take a few and then hold his closed fist out to me and drop the empty wrappers in my hands. I truly enjoyed and will miss his morning visits. My condolences go out to all his family and friends.*

“ Dear Beth, Bill and Rich, I was so sad to hear of Mike's passing. I remember Mary Ann telling me all about him when they first met, their wedding and then each of your births. Mike had a wicked sense of humor that made our family gatherings so lively and fun. My heart and thoughts are with all of you as well as Greg, Mikey and Abby. Love, Aunt Pat
