“ I knew Mike in the Burroughs days. He was my boss in the early 80s but was more than a boss..he was a leader who taught me how to lead. I will always have fond memories of Mike and offer my sincere condolences to his family.

“ I know how special Mike Prusha was to his family. For me, I always enjoyed seeing Mike at one of the Doug and Melissa Prusha family functions because I knew I was going to hear some classic one liners and hopefully borderline inappropriate jokes. Love to Mary Ann and all the Prusha family. May Mike's presence and joyful humor be with you always. Marak Family
