“ *I knew Mike since 1970, from work, YMCA Indian Guides and the FNBC Luncheons. He was a very special human being, co-worker and friend. We all remember his three piece suits and his pocket watch that he wore in the Data Center on L2. Oh, let's not forget those chair races from 65 #1 down to 65 #3 and the "ring" fights between the 7070's ... boy, to be young again.... To Mike's Family, our deepest sympathies for your loss. “ Dear Melissa: Whenever I thought of Mike, I remembered meeting him at your folks’ house at Christmas time. What a warm, friendly, funny host he was ... Made us feel so welcome. He was very lucky that you were there for him, easing the suffering that is such a major part of this awful disease. I’m sure that your companionship was absolutely priceless to him. I hope in the days and weeks ahead, you get a sense of peace that continues to grow with time. Hope is a beautiful thing! Please take good care of yourself. Give my regards to your family. Lots of great memories there ...

“ Dear Family,  
Larry and I will miss Mike and our rides together to the bank luncheons. He always brought us up-to-date on the family and was so proud of all of you.. We are glad we had a couple of visits with him in the hospital and will always remember how hard he tried. Our deepest sympathies to all of you.

“ Mike was always one of the most friendliest and helpful of men working on L2. May you rest in the peace of Christ.  
For family, this is a time of pain, but know love never dies. Your love for Mike hasn't left and neither has Mike's love for you. Even though we cannot feel it or express it as we once did, it is still there. We may not see a physical presence of Christ's love for us. Mike does.  
Rest well my friend in the love Christ has for you.  
Regards, Deacon Greg (a.k.a. Biz)

“ I am so sorry to hear of the passing of Mike, what a great person. Although Mike was my boss for only a short time after the IBM transition, he was a pleasure to work for. At the FNB, he was also one of my favorite computer people and my prayers are with the family. God bless all of you and I hope your pain will be lessened as time goes on.

“ I know Mike had a very loving and supportive family. My sincere condolences to you all. Your Dad was a part of my life since High School at Schurz in 1961. I met him on the Milwaukee Avenue bus to/from summer school that year. We found that we had many mutual buddies living near Foster and Milwaukee and we spent a lot of time at Habetler Bowl and Henry's Hamburgers until we graduated(me from Taft) in 1963. I didn't see him again until 1969 when I started work at the First National Bank computer center. His friendly face was one of the first few I met, in what was then, a very bewildering world for me. We couldn't believe that we both wound up at the same place after so many years. I will miss him greatly, think about him and our good times together often, and know that his family that he was so proud of continue in his honor. Good bye ole friend.
