“ *My deepest condolences to you and your family. I first met Mike a few years ago when I first started working at Royal Automotive. He brought Acura parts with a laid back attitude which showed his years of veteran experience in the field. He would also stick around a few min and just talk about whatever. He was a real stand up gentleman and he will be sorely missed.*

“ To the family of Mike Shoop,

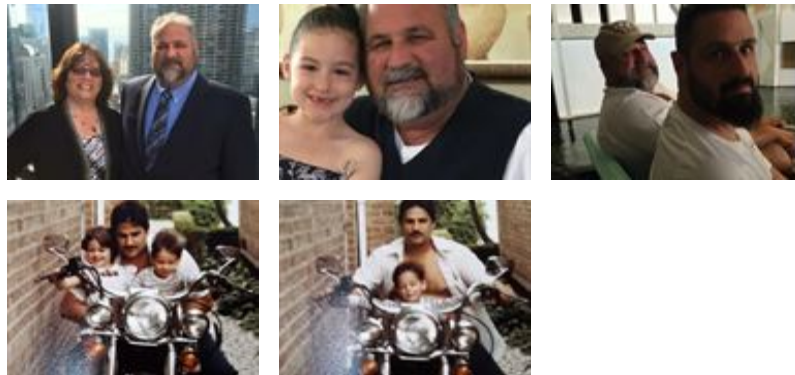

Our deepest sympathy and condolences to your family. Mike delivered parts to us almost every week. He was always friendly, professional, and shared a lot of insight on pool maintenance (which we appreciated as first time owners). Mike always talked about his daughter with the triplets. He seemed like a great grandfather, truly one-of a kind, who was always there to help. What a loss it is, he will be truly missed.
