“ *Randall and Greg,*

I was so shocked and sorry to hear about the loss of your mom. Your mom and I were coworkers at Ameritech - she was a hard working, kind colleague who was respected by our whole team. She and I became friends and got together for some years after she left Ameritech. I've attached a picture oh her, Cheri Reid and myself after we met for brunch at North Park in the city. When I looked at the date, I see it was from 2011. We had drifted apart, and I had always planned to reach out when I retired. Somehow, we always think we have more time.

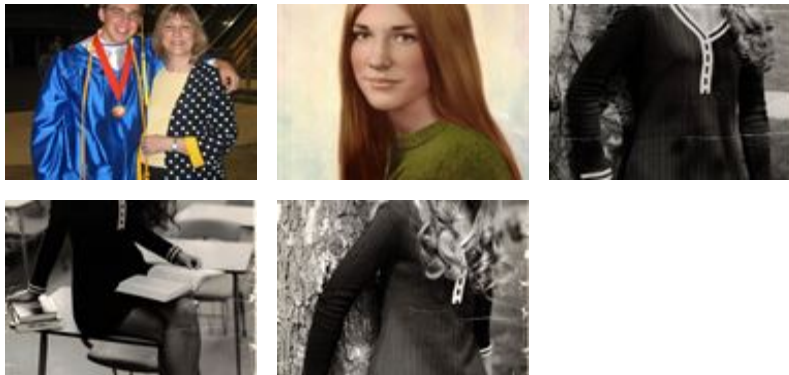

Your family will be in my thoughts and prayers

“ Randall & Gregory I just want to say how sorry I was to hear of your mom’s passing. I worked with her in the Finance department at Ameritech beginning when she transferred to Schaumburg. And until she left the company. We had a lot of good times working together and had many memories when we would gather after work to put the day behind us and just have some good laughs. She made work tolerable for us all that were part of the Finance team. You are in my prayers.

“ Days like today make my heart break for being so far away from my family. Every happy childhood memory I had with my dads family has my aunt Michelle in it . She was my mom when I was with my dad . She taught me so much about family, love, support, and kindness. I gave Katrina her name as a middle name so she would always have a part of her with her. I am at an utter loss of words and haven't fully accepted you are gone. I can't wait to hug you Randall and Greg . I love you aunt Michelle. Rest easy until we meet agai. -Kori (niece)
