“ *Nancy made an enormous impact on my life. I am a much, much happier human because of the guidance she provided over the years. I am very sad that she is gone but I'm very glad for her presence in this world and my life. I regret that I didn't learn about her death, sooner, and I extend my deepest condolences to her family and friends.*

She sent me this text recently which was so special to me - "My dear Bobbie I have thought of you with loving thoughts everyday and am sorry I have not been able to text due to a hospital stay, I have been ill for several months but I am about to cross over into God's arms. I love you and always will". Her powerful pure unforgettable love will always be with you and me. Love Marjorie Bobbie Orlando.*

“ *To the Family; I had the privilege of being your Mom's Mary Kay consultant since 1998 thanks to Elaine McCaughy. Over these 24 years, what a pleasure, support, friendship and love we have shared during this journey of life. There are some people that God puts in your life and it is such a Blessing. Your mom was one of them.. The connections we made in all aspects of life were truly amazing to both of us..the good times, the bad, the happy, the sad, the funny, the hilarious, the quiet, the chaos,the healthy, & the sick. I always loved to hear about her dancing days and the trips she took alone and with her family. . I was able to share with her"my life"and always got a listening ear and a shoulder to lean on. Thank you family for sharing her with me. Nancy..will miss your voice and seeing you but you are forever in my heart and memory. Love you..*
