“ *My fondest memory of my cousin was that she was always motivating and inspiring in seeing her family succeed in life. She knew I was going to college to work on my bachelor and she would tell me don't stop there. You keep going! Don't worry bout the expenses of student loan cause in the end it will pay off. I definitely have those last words embedded in me. I plan to go back and work on my Masters. You are going to be deeply missed! Love you Naomi Lemus 🥺🙏🥰*

“ First, I would like to offer my sincerest condolences to Naomi's family. Naomi was one of the nicest and smartest person I had ever known. Naomi and I shared a lot of laughs and deep conversations over the years. It was a pleasure to know this beautiful person because she definitely had a beautiful and soothing spirit. I will share one memory about Naomi in April while seeing Naomi at the luncheon I told her my dog was sitting in the car. After the luncheon she wanted to come out to the car to see my dog and I was amaze how much seeing the dog made her happy. I was happy it made Naomi happy. We all will miss Naomi especially me.

“ Naomi was my favorite boss ever at AT&T. She had a kind, generous, giving, selfless spirit and a beautiful, infectious smile. While her time here was too short I know that she touched so many people who will remember her fondly not only for her infectious smile but by the life that she led and the lessons that she shared. She will be missed but be remembered always.
