

Mr. Neal Craig Cybulski of Roselle

November 11, 1955 - January 2, 2026

Neal Craig Cybulski, 70 years of of Roselle, IL

Neal Craig Cybulski passed away peacefully at the age of 70. He was the beloved husband of Maria and a loving father to Alyson (Tim). He was a devoted stepfather to Leanna (Don), Tony, and Simona (John), and a cherished “Grampy” to DonRocco.

Neal was the dear son of the late Carl and Delores Cybulski and a loving brother to Cathy Key. He is also survived by many nieces, nephews, relatives, close friends, and his treasured “best neighbors.”

Born and raised in Chicago, Neal attended William P. Gray Grammar School and Edwin G. Foreman High School. He built a life defined by hard work and skill, working as a carpenter, bricklayer, and Illinois home inspector. He was the owner of Neal’s Home Inspection, worked alongside his wife at Maria’s Happens by Design, and most recently enjoyed a part-time gig at AutoZone.

Neal loved staying busy. He enjoyed hands-on projects, participating in car shows, riding his Harley-Davidson, and spending time with friends. Neal loved clean cars and especially loved when DonRocco came over to wash his car! Above all, he took great pride and joy in attending DonRocco’s baseball, lacrosse, and martial arts games.

Neal was a good man who genuinely loved helping others. There wasn't a cookie he didn't like, and his kindness and warmth will be remembered by all who knew him. He will be deeply loved and missed until we meet again.

“ My father and Neal's father were cousins. We had many family parties growing up and loved when we were all together. I remember when I was young, how tall and strong Neal was. He loved going to the gym to work out and lift weights. He was always fit and handsome, and looked great on his Harley! And how he loved to ride... Neal was always kind and gentle, and had a very easygoing way about him, and loved to hang out with friends and family. The Baranski family sends our condolences to the family. Neal, you are greatly loved, and we will miss you. ❤️

“ Neal and I went to grammar school and high school together. I remember Neil being a very kind, sweet guy. He had a way of making me laugh all the time, picking on me and my twin sister and giving us crazy nicknames. I have a lot of nice memories of him during our school years. I hadn't seen Neil until we reconnected again at the Gatsby get-togethers. He was still the very nice, sweet guy I remembered from our school years. It was nice to have a chance to catch up and hear what he had been up to during those years gone by. I looked forward to seeing him and others that brought back so many great memories. I was saddened to hear of Neil's passing. He will be missed. My deepest condolences to his family and friends.

“ I remember Neal from Gray Elementary School. He was a kind and genuine person and I enjoyed being with him. I remember being in 8th grade and going to the dance with him at a friend's house. He was so much fun to be around. I feel so sad that he left this world so soon. He will be missed.

“ Neal and I met in grammar school in the sixth grade, where we attended classes and then went on to high school. In high school Neal and I started on different paths. He wanted to get an early start on his career path through the work release program, and I was involved in the sports programs. After high school we lost touch for a long period of time until we reconnected on the Classmates website. We started to meet up with our friend Jim at bimonthly high school get-togethers, attended several car shows and the occasional dinner. We would just shoot the breeze and reminisce about old times. We attended some class reunions, the most recent one being our 50th. At the reunion we caught up with old friends and paid tribute to the friends we lost along the way, whose names were listed on the last page of the reunion booklet that everyone received. All these good times have now ended much too suddenly.

We are once again on different paths where Neal has gone to be with the Lord and his wife Maria. Rest in peace my friend, until we meet again on that last page of the booklet.

I have so many memories of Neal ,all of them are good. He was always there to help out and usually after a project there would be libations at the bar. Along with other friends there were many life adventures and in every case I remember the big guy laughing .I hope that he is resting in peace in heaven. He was a friend that will truly be missed.

“ Neal and I grew up together. We both went to Gray school and Foreman high school. He only lived a half a block away from me on patterson avenue. We were good friends during grammar school and high-school we used to hang out at Blackhawk park, but after high school, we lost touch with each other as a lot of people do. But Chris started these Forman get-togethers at Gatsby's, and we reconnected there after 40 years and became instant friends again we hung out quite a bit together almost every week. At this stage in my life, I really don't make a lot of new friends and it was nice to have a good buddy again. He was always there ready to give a helping hand whatever you needed. Roselle, cruise night on Friday won't be the same without him. I will miss him greatly. He was a good friend god bless you Neal, may you rest in peace. Your good buddy, Jim.

“ I went to high school with Neal. I didn't know him well in high school, but when our fellow Foremanites started getting together often since our 45th high school reunion, Neal started attending our get-togethers. It was always so nice to see him and chat with him and have many laughs. It will not be the same without you. Rest in peace, Neal!

“ I remember when Neal and his sister transferred to Gray School. That was their first day at this new school and what stood out the most was their big smiles. They both seemed like two happy kids. I admired them for that.
