“ *He was a great guy. He will be missed by many. That was a great service for your dad. Your dad had a million great one- liners . Here are a few that stand out in my mind. We would be playing volleyball at the Limetree and if you missed the ball Nick would say ” what.... do you have polio “or “did you buy a ticket”. And when Al and I got engaged your dad said ” are you sure... your going to wreck a beautiful friendship” Just thought I would share those funny thoughts with you.*
