“ Rest In Peace Grandpa. I know that you are running around with grandma in heaven with a smile on your face now. I will never forget the first time I met you and grandma when Tim and I first started dating and he brought me to your house for Thanksgiving dessert. It was so neat to see your big family gathered around the long table in your basement. I always thought it was pretty cool that you had a full kitchen down there too. I also remember that the first kind words you said to me was that I look like I could be in motion pictures. I'll miss those scruffy beard kisses on the cheek from you and your heart warming smile. I love you grandpa.

Love,
Jenny

My favorite memory of great grandpa was when he'd hold my face in his hands and kiss me on the cheek and smile. The sound of his voice would always cheer me up when he told me he loved me.

Love,
Ryan
