“ So sad to hear the news of Pat’s passing! My wife Maria and I met “Chicago Pat” through mutual friends in New Jersey back in 2005.

From the first time we met Pat, we knew he was as we say in Jersey “GOOD PEOPLE “ truly authentic, funny and always a pleasure to be around!

We’ve spent many a good times riding and camping with Pat along the years. 2005 in Sturgis, along several times attending bike week in ocean city Maryland over the years at Little Mikes house. Always a blast! I can hear him saying my name with his Chicago accent. “Hey RAABB”. Rob 🤔. We also had the pleasure of Pat attending our wedding in 2006.

Today in New Jersey a celebration of Pats life was held at little mikes house. surrounded by friends who knew Pat, we honored him by Sharing fond memories and stories with a toast to his life.

*Pat, rest easy! We will miss you and remember you always.

“ ‘Mr Gibbons’ was a fixture in my life from the very beginning. I was lucky in that my parents had great friends and Pat & Nancy were around for all the celebrations that mattered. It was only natural that when I started my family, that they were there too - the extension of our Klan that my children grew to love. For my kids, Pat always had a lap to sit on and a beard to tug. He was special- always happy to see me with a big smile and a bigger hug. A biker that loved to drink milk and play with numbers! He will be missed dearly. RIP and see you again on the other side.

Sad to loose Pats smiling face. Always treated me like a little sister of his. I will always remember his awesome giggles and laughter! It was a blessing to know him. My condolences to his family.
