“ *Mr. Paul Franklin Engel of Hoffman Estates*

“ *I am Paul's first cousin and my idea of heaven as a kid was having the Engels be my brothers and sisters.. I loved them all. Paul especially was full of mischief and smiles and I'm only sorry I didn't get to know him as an adult. My sympathies to all his family.*

“ *For better or worse I thought I would share one of my last emails to Paul just before his last birthday.*

*I wanted to say when I wished you a Happy Birthday a day late on the 28th but didn't have time to put my thoughts down.*

*Being twins and almost three quarters of a century old each, at the monument, I wanted to say a few things.*

*I have always admired you for your family values and being a good father to your kids who I still remember as teenagers, Steve being very smart and Cheryl being so bubbly and sweet. Your luck in having such a nice woman for a wife. And I always admired your sense of priorities involving money matters and responsibility in that area of life. Contrary to myself, I have always admired your ability to be successful in your chosen career and your ability to stick to your chosen path.*

“ There are so many fun times that we were able to share with Paul and the Engel family. We have been close friends for almost 50 years. Paul was the brother I never had and the cherished uncle to our children. We miss him so much. May God forever hold him in the palm of His hand. Susan James
