“ *My deepest condolences for your loss as it is a sad day for me also. I am a friend from Webster Groves High School. Rich and I, along with other friends, went on canoe floats on the Current River and outings to the Lake during and immediately after our high school days. Regretfully we lost contact in the busy years that followed. Rich was easy to know and fun to be with. He is, and will be, missed by many who will share your grief along with wonderful memories.*
