“ *To the Weeks Family,
I am the daughter of Betty Lou Fisher Lohman. My mom and Phyllis were best of friends in high school. They even had matching I.D. bracelets made with their nicknames on them. The sisters and I had my mom's placed in a shadow box that we gave to one of our sisters for her 60th birthday! I am the third oldest of 12 children. I remember meeting your mom when she and Jack visited Pittsburgh at our family home. I'm pretty sure your parents sent all the girls wedding gifts. I am sure I saw your parents when visiting Joliet on visits and vacations too! Saw many pictures in my mom's scrapbooks and Christmas card pictures! Those two women were a force to be reckoned with!!!!*

I had the pleasure of talking to Phyllis when my mom passed away. (about 13 years ago) She was so upset. She wrote a poem about my mom that we copied for each sibling. I wanted to try to get to Illinois and see her! We talked several times. The most recent was this past November...She just called me....in Phoenix. We had a delightful conversation and I promised to send her a recent family picture of the 11 surviving kids from a family wedding. I just got the picture copied...filling it out today with ages and a list of cities where everyone was living. I jumped on the computer to make sure that I had the zipcode correct and found Phyllis's obituary. I was so shocked! She sounded so good when we spoke in November. Her memory was excellent!

Your mother really helped me through my mother's death. I always was so grateful that she reached out to us! I always admired your mother's style, fashion, and her ability to be so articulate!!! Sending sympathy to Jack and the whole family!!!
