“ *I just learned of Dr D's passing and want to express my deepest sympathy to the DelMonico family. I have been his patient for 40 years and admired him as a truly kind and wonderful man. Until I became his patient I was terrified of dentists, he made me feel comfortable and confident in his work. Thank You, "Doctor D". You will be greatly missed by all.*

“ *Sharon & I are deeply saddened to hear of Dr delmonico's passing. We regret not making an appointment to come see him in recent years. Our thoughts our with Dr delmonico's dentist office and the delmonico family. We learned of his passing from my mother Nancy Ruedel. He was one of the nicest men I ever met and growing up as him as our dentist was great. He made each and every visit enjoyable and we are heart broken that we missed his wake. God bless! Sharon & Todd Ruedel*
