“ *I want to send my condolences to the family and everyone who was or still is like family (best of friends). Sending lots of love to his son especially. We will try our best to share all the great memories we shared with your father. I know the time spent with his son was short lived. We can all show his baby how much his dad Ramon meant to all of us and how much he will be missed. In loving memory to our brother, our friend, son, father.*
