“ Our hearts go out to Johnnie-Mae and family. We are heartbroken to hear of Ray's passing. I met him and Johnnie-Mae when I joined the Lions Club, we worked on various committees together and became fast friends. I've been humming God Bless America all weekend, it was his favorite and he would always choose that when asked to start our meetings out in song. Here are a few pictures, we will miss his wonderful smile!

**LOVE & HUGS TO YOU ALL!**

“ *So sorry for your loss. Ray was a great guy and always willing to share his ideas for fundraising with the Roselle Lions Club. He introduced the club to the idea of making homemade potato chips. It was a much bigger-and messier undertaking than any of us imagined! The hot oil. The grinding of the potatoes. The cleanup. Lots of fun, Lots of laughs. Lots of comradere. Loved those carnival days!*

“ Our hearts go out to you Johnnie Mae and your family. We were so privileged to know Ray and see his dedication to The Roselle Lions. My favorite memory of Ray was him all dressed up and sitting with his buddy The Grinch at the Christmas Party (see attached image). The smile on his face is priceless: he was a delight. We will miss him greatly.

“ While I didn't know Ray long, I appreciated his sense of humor and good spirits. We served together in Lions and I'm grateful for the opportunity to know him. My favorite memory is of him deciding to give me a new name and one he ALWAYS greeted me with. I loved it!

*Johnnie Mae may God wrap you and your family in his arms, support and comfort you during this time. We will miss him. Until we meet again.*

“ Dear JohnnieMae - my heart goes out to you and your family in this most difficult time but remember all the wonderful years of memories that you shared together and let that lift you up. Most of us can only dream of having a marriage as long and committed as yours has been - you serve as an inspiration to many. May your faith and love for one another give you warmth and peace during this time and know that your extended family and community are wrapping you in their arms. Hugs and love to you all.

We will miss him as a Lion, but most of all as a good friend. Bob Jilke and Linda Jilke
