“ *I want to offer our sincere condolences to the family. I worked with Reggie at Justrite and we quickly became friends. She was the consummate professional and performed her work with distinction. Reggie also became a friend and confidant. We discussed and laughed at so many things and I loved hearing of the progress of her new home and the move. Reggie was also the greatest Cubs fan and my wife and I were honored to be asked to join them in her seats at a Cubs game. It was a great time. Reggie will be missed by all who knew her as will I.*

“ I didn't know Regina personally. I know Alex from his time in Spain. Alex is one of the coolest people I have ever met and I'm sure his mom (and dad) had a lot to do with that.

I'm sorry for your lost.

“ Regina was at Northwestern when I was and though we knew many of the same people, we never met until years later when I was introduced to her by her cousin, John Capizzi. She welcomed us and made me feel a part of their family. She was a wonderful listener, and always provided loving advice. I will miss her ready smile and ever positive outlook, even through her suffering. Love you Reg...rest now❤️
