“ *We may never really know the impact that this wonderful man has put on our lives, but we do know for certain that knowing Richie has made us richer and stronger in every sense of the word. He has great parents, friends and relatives that have all appreciated his humor, wit and strength. There are so many memories and we will treasure them forever. Rich is now with our angels watching over us and making them as happy in heaven as he made us happy on earth. Peace and soar with the eagles.*
