Rich was nicknamed the (Olympic) "torch" by owner Charlie Brennan. Because he never went out (on sales). Rich said it's because no one else if the office could take care of his customers, like he could.....

“ Rich you touched so many lives with your “sick” sense of humor. My memories of you are laughing so much. I was always in awe of your extreme intelligence. Smartest man I ever met. But didn’t make others feel less than for your gain. I will miss you and how hard you tried to gain another phase of your life with us.
