“ I was saddened to learn of Mr. Aman's sudden passing. He was a kind and witty man and we shared stories of our furry friends as he was a generous supporter of our feline rescues. The animal world has lost a most compassionate man. .

“ I was so sad to hear this news. My friend told me to remember the good memories. I told her how Uncle Skip had a thing with cats. It made me smile to see it in the obituary. Sending lots of love to the entire family.

“ Skip could have been used for the definition of what it meant to be a "big brother". Wish that I had had a chance to pay him back for all he had done for me. He never gave up on me when so many others had. To say that I miss him doesn't even skim the dross.
