“ I don't exactly remember the first time I met Bob ( mid '90's ) but I do exactly remember how funny, patient , and tolerant he was with all of us every time we got together. From dressing in goofy hats and camping out at the Relay for Life events , to the famous SAMC golf outing which end with a few golfers “napping” on the Budzinsky front lawn, to dinners out after monthly bowling night. He would just laugh and go along with the program. He always made me feel comfortable and could make me laugh.  
Such a special man!

“ What can you say about Uncle Bob, he always had you laughing even when hanging you upside down by your ankles saying, how much money you got I want to order a pizza. To just stopping by and catching you backing the van up in the drive way saying don't let your dad catch you. He will be greatly missed. Love you Uncle Bob and may you rest in peace.

“ To my Brother Bob, you are going to be missed your laugh, you love for cards and your love to have fun. I remember Bob having a 6 pack of Pepsi and a large pizza while waiting for dinner. Bob didn't always cash his payroll checks on time. Pepsi had to call him and tell him to cash them. One time I remember they were moving and Bob called me on the cell phone and told me to go back to the house and go to the crawl space and get his money. Bob you will be missed especially by me, may you Rest in Peace Brother.

“ Bob always was “Big Bob”. There are lots of Bob's in our family. Big Bob was a wonderful person. Always happy to help. Bob loved to play games. Always a fun time when he was at the family gathering. He loved his Pepsi. He was the Pepsi man. Helped my husband get a job so he could go to college. He was a great brother in law. Look down from heaven and keep an eye on us Bob. We will all miss you.

“ *I vividly remember the first time I met Bob. We were kids playing softball and I hit it over the parking lot fence and on to the roof of a car. The biggest person we had ever seen got out of that car. We started scrambling...and then Chris got out of the car and introduced us to Bob. Whew. We were all going to live to see another day. Everyday around Bob was like that -- full of fun, the unexpected and a helping hand. At every major event in my life, Bob was there...from the job at Pepsi that enabled everything that followed, to helping find our first house, to being there to support Mary when left home for the first time and for Becky when she moved to Chicago. Bob made a real difference. I am so thankful that we've been a part of Bob's family and can celebrate the many good times we shared and memories we've created.*

*Uncle Bob always made you laugh, he always had a way of kidding with you and making feel loved. I know you always had to look up to him but someway it was fitting. I was telling my girls about him running down the dock singing fatman and jumping in the lake. Love and always will be thinking of you uncle Bob.*

*Can't explain how much you will be missed. Your laugh was infectious, your smile was beautiful, and I just loved you. I remember when Bud was in the Service and you and your brother walked me home, I felt very safe walking between two buildings.  
Will always love and miss you.
