“ I am so sorry for your loss. I had no idea Bob had left us. I loved to talk flowers with Bob and he was kind enough to share some from his garden with me.

“ I first met Bob when I ran out of gas in the United parking lot. He drove to a nearby gas station, got a can of gas and off I went. Of course, he never let me forget it. When I took a different job at United, Bob replaced me as Supervisor in Payroll Accounting. We were friends over the years and enjoyed many a lunch together with our spouses at United retiree functions. Our condolences to Patti and family. My wife, Bonnie, and I will surely miss Bob and his calming personality. Rest in peace my friend

“ We had the honor of living next to Bob and Pat for almost 30 years. Bob loved Pat, his extended family and lived his life to the fullest. He was quick to laugh and share his memories. His garden was a passion that he shared with my wife and smiled as my large cottonwood tree in the backyard was cut down so no more ugly "cotton" in his beautiful garden - LOL! Bob is an example of a life well lived and he will be missed.

“ I'm so sorry, Pat and family. My memories are of Bob, KEN and the two of us spending tim together in Southern Arizona, at your lovely home in Hoffman and the walking tours around Westmont. My memories are good and I'm moved that you stayed in touch with me. The two angels are now keeping tabs on us. God Bless you all!

“ *Bob and I worked together for the first time in 1988, and remained friends from that time on. We shared a cube at United for many years, and took turns posting our favorite upbeat quotations on our shared white board. We walked the 5K on the Runway together at least 3 times at ORD and even once at Midway! Through the pandemic, we met in the forest preserve to keep in touch. Quite simply, Bob was one of my favorite people, and I will miss him sorely.*
