“ *Aunt Diane we are so sorry for your loss. Uncle Bob will be missed greatly by everyone. We will always remember when he went to Castle Rock with us fishing for the weekend. We had a lot of fun even though we didn't catch much. We are so sorry we couldn't be there for the service. You are in our thoughts & prayers.*

“ My dad always wanted to make the people around him happy, and I'm sure we all have stories and memories of him doing things for others...which we would love to hear...but some of my favorite memories of my dad are when he would take me fishing. It made me so happy even as a 10,11,12 year old kid to see my dad taking such joy in catching a largemouth or walleye! (Ok let's be real, a bluegill!) He would wait all morning to help me catch just one fish, but what he didn't know was that the best part of my day was watching him sitting on his bucket, reeling one in of his own, laughing like a little kid the whole time. Fishing was our piece of magic and we always ready for the next cast. I miss you already dad...

*Love, Michael*
