“ I only learned of Bob's passing today, leaving a permanent ache in my heart. Bob and I first met during our freshman year at Carl Schurz High School and my memories of our friendship in the 60's and early 70's are so many. I was a transplant to Chicago (Edgebrook) in 1961, and Bob's parents and brothers always made me feel so welcome. Bob was the jock, and I was the preppy nerd, but somehow our personalities meshed and we came best friends. After high school, he and I and brother Dave were occasional roommates. We had so many remarkable times together--mostly filled with laughter and fun. When I moved abroad in the early 70's, Bob and I were in touch only intermittently, but the friendship never waned. Nor will it.

“ Bob and I performed at Schurz High I the production of "My Fair Lady" and that same year he was my "perfect date" for the Senior Prom! We had such a wonderful time and went to the beach the next day. Fortunately, we spoke a few years ago by phone, recalling our date and fun times at Schurz. He was so sweet and I treasure the memories, blessings on your journey dear Bob!

Growing up in Forest Glen, I always knew Bob as a neighbor, friend and school mate. We met in kindergarten and went all through high school. He was always nice and a fun person to be with. My sincere condolences to the entire family- I know you are missing him and Betsy...God Bless and keep you all in his loving care.....Jennifer (Grimes) Dalton

“ Bob was my closest friend at Farnsworth Elementary School, we were together as High School freshmen at the Beaubien Branch of Schurz High School, and we were in the same Home Room for the following three years at Schurz. We we’re both members of the Schurz Players and worked on many productions together. Bob headed off to the Marine Corp and I made a career in the Air Force. We lost contact for many of those years but got together later through Facebook and with emails – only wish we had been able to get together in person again. I do remember that in school we both had a passion for the British comedy production “Beyond the Fringe”. We memorized the sketches from that show and would do our own little performances. Our thoughts and prayers to the family -

O.K. Bob S. This is Bob's older brother, Dick (Rev. Dr.) and I am thrilled to hear that you and Bob did "Beyond the Fringe" bits. I believe he got that infection from me and some of my NIU college buddies. Thanks for sharing your memories of Bob, It means a great deal. The fun we shared will eventually surpass the pain of loss.

Hey, Bob Smith, where did you serve when you were in the Air Force. I served as a firefighter at Ramstein AB in Germany in 67-71.

“ My dad was an amazing man. As I told a lot of people he is the most humble , loving caring person! . I saw him about a week again with my daughter Hayley he calls Hayley Gorgeous! His only granddaughter. She adores her grandfather as well . We had a very nice long visit. He had a smile on his face the entire time. He was telling his favorite memories about us kids , my mom and his brothers .. high school.. college and marines... He always said make the best in the situation and boy did he ever! He never complained ever! I will always cherish all the good times we had. He and I would spend hours talking about history! That is also another thing we shared in common our love for history .. I miss him dearly! He loved ALL of his children and grandkids, his brothers and the family! It's not goodbye dad its see you again! LOVE YOU to the moon and back. I will never forget when you would sing to me it's going to be a long winter!!!! Love you!

Yes, Bob learned that "long winter" song growing up summers at Lake Ripley. Don, maybe sometime you and Dick can teach Erin all the seasons in that song. Anyhow, Bob's Lake Ripley Institute/Willerup Bible Camp family will definitely miss him. Over the years he did so much work at camp and all is so much appreciated. He grew up there like so many of us did. It was great seeing Bob when he'd come to camp to visit with Dick and Don the past few years. So much fun reminiscing and laughing. Would love if his kids could come for a visit next July when we're at camp. Our hearts are with his family during this difficult time.

“ Bob and I became friends freshman year of high school, and found our paths crossing several times over the past 50+ years. He got me my first job, where I met my husband. It made my heart happy when he told me that he had found his soul mate too, in Betsy. He deserved the best! I wish he could've attended the Schurz 50th Reunion. I am lucky to have so many memories of him and the good times we shared when we were younger. I will always remember Bob for his quirky sense of humor, quick wit, as one of the smartest people I knew, and an all around great guy. Sending loving thoughts and prayers to the family.

“ If any of the family would like to hear some comical insights into Bob's pre- family, pre-Marine life....I'd be glad to share stories. He was a fantastic and close friend for much of our younger years. I will miss a couple of old guys talking, which we did this past couple of years.

He was an energetic soul.

“ I went to High school with Bob. He was such a great guy. As a matter of fact he was my first kiss. We were both 14. You never forget!

So sorry for your loss. I pray the memories will stay with you forever.
