“ *Thank you Uncle Roger for letting me believe that you were my very own rich uncle. That's exactly what I told all my girlfriends in grade school. Back then, I thought it was true based on those awesome birthday and Christmas presents. Now I know it to be true based on your qualities: kind, generous, thoughtful, loyal, and humble. You loved well and were well loved...a rich man indeed! Thank you Uncle Roger. We will miss you! Save us a spot up there!! Love,*

“ *I will have to start this by saying thank you. Thank you for your daughters hand in marriage. Thank you for being such a great Papa to Ashleigh and Jimmy and for the endless hours you watched them grow up over the past few years. Thank you for all of the help making our house a home. Most of all thank you for being such a great example of what it means to be a Great Dad. Love Jim*

“ *You were always the 'cool one' when I was little, Uncle Roger. The brother with the neat car, curly long hair and cool clothes. Even the pictures of you have made me laugh and smile again. Thank you for letting me call you uncle. God's peace be with you and your family.*
