“ Good morning Ron,

By now God has welcomed you into his arms, but please believe that you will always be in our hearts. You get to meet new friends and reconnect with those who have passed before you. When I look up at the sky I will say hello to you. Dont forget to send us a sign of your peace. It was so nice meeting you at the Walk, having conversations and singing along to your favorite bands. You were and still will be a fantastic musician. Until we meet again Ron :)

“ *Tammy and family. Condolences on the loss of your brother and family member. I remember our girls sleepovers and your brother being around during our time as kids playing at your home. It was fun to peek in his room and look at all his posters and big brother stuff. Such a young man to go so soon. Very sorry for your loss. Hugs and love, your friend Karen.*
