*Praying for your family who will miss you a lot Tito Roel. Life is too short here for there must be another one blissful that you very much deserved. I know we were born at the same time when Lola Manding and my Mom Tita Lety were always at the Cubao house and I remember the fun growing up while I went to the States earlier than you , life became hectic here through the years I never had the time to see you. You will continue to live in the hearts of your loving wife ,children and grandchildren ....Marissa Reyes Fischer and my Mom Lety Pineda*

Meeting his family and getting to know them over the years has been a pleasure even if most of the time we were separated by distance. My sincerest condolences to Heidi and the entire family. You will all remain in my thoughts and prayers.*

“ *Heidi, Justine , Julian and family our deepest sympathy on Rowell's passing. We met your loving family thru St Isidore when our kids were in school there. We vividly remember his sense of humor ,loving and giving nature! The kids all gravitated towards him because he made them laugh and his easy going personality. We reconnected with him again last few years thru my dad's dialysis where he was there same days as my dad. In true Rowell he made my dad laugh and those around him. He made life joyous and worth living. Thank you Rowell for sharing your gift of humor, faith, family and joy of life. RIP and may angels bring you home 🙏🙏 Cruz/ Sanchez Family ❤️*

“ I've been out of touch with Roel since AIM. I attended Roel's Mass last Sunday on Zoom. I witnessed Roel's lasting legacy of Love thru the eulogies of Heidi, Justine & Julian. I am so glad that I attended. The Mass was organized on short notice but there were so many attendees. He touched so many lives.

Roel was elected Class President for our AIM MBM79 section and, as Class Secretary, we were involved in extracurricular activities such as publication of a Newsletter together with his dorm mate, Ed Bañaga, who served as Editor. His room mates formed the Hamburger Boys of MBM79 with Mui Dilokwanich of Thailand and I as extended members.

Fast forward to the new millennium, Roel and wife Heidi shared their life story cum spiritual journey in prayer communities. It was then that, based on transcript of their couple sharing, Roel asked me to comment and edit his written article. Over the years, that gem of a spiritual and inspirational read has turned into 19 full pages, punctuated with the roller coaster rides of the Ramirez couple. What struck me from Roel and Heidi's life/love story were God's miraculous graces in their lives which were constant and seem to emanate from a bottomless wellspring.

Roel, I thank you for treating me like a sister from our AIM days till your twilight, terminal years. Thank you for all the phone chats specially since start of pandemic for we were able to close the gaps of time and distance. Maraming, maraming SALAMUCH!!!
