“ *Sandy is an Angel in every aspect of life. She was a big sister ,My Best friend , She had five children worked a full time job and always had time for me and my three children at the time we always had a open door for us .She is my youngest sons godmother , No matter what time Day or night she was there in person by phone just sitting on the front porch with me to talk things through Life . After 39 years of her being there It is so sad and heart breaking to know the other end of the phone will not be answered any more , She will be missed , But never forgotten , Always loved , Rest In Peace Sweet Lady . God Bless all the Family that Sandy was so proud of .
God Bless you all

“ So many fond memories of time spent with Sandy when Ray was going to school & I would visit with her to pass away the evening. This photo of Sandy & baby Ralphie was about 49 years ago. Sandy was a gentle, soft spoken and caring Mom & woman. We are sending prayers & thoughts to children, grandchildren, and all family.

“ *As a child I would always appreciate Sandy letting us take over her home to play all day long with Ralph and Robert. It was ground Zero for many of my best childhood memories.
She had the tolerance of a saint.*

As an adult I reflect on a women who seemed to raise an entire family by herself and do it with grace.

Rest In Peace our other Melvina Mom

“ Sandy was one of my favorite people in this entire world. I learned so much from her... how to love deeper, how to remain strong in times of heartache, how to truly enjoy nature and how to appreciate everyone for what they have to offer... I will miss her terribly.

Sandy was a beautiful soul. I truly enjoyed spending time and having great chats with her at family parties. She always had positive energy. Smiling and full of laughter. Heaven has gained another Angel. ♥
