“ *Sonia & Family...know that you all have my deepest sympathy at this tough time. Sandi fought a very brave fight and earned her rest. Find comfort in each other and in the many good memories you share as a family. God doesn't give us more than we can carry as long as we let him help us carry the load. Share my condolences with your parents. Your family has become a part of mine these last few years & I know how hard this is for all of you. Hugs and prayers coming from the South.*

“ *Sandy was a mentor to my son and many others as a Cub Scout leader. She was one of the kindest people we have ever known and she will truly be missed. She fought so hard these last few years and most people do not have the strength and courage that she had. You don't need to suffer any more. You can rest now in peace.*

“ *Sandy always had a smile and a kind word for everyone. That gentleness of spirit will be greatly missed. Her immeasurable love for her family kept her here far longer than should have been humanly possible and serves as an inspiration and an example of what can be achieved through love.*
