

Mr. Scott T. Mudrak Jr. of Hampshire

February 20, 1993 - December 19, 2025

Scott T. Mudrak Jr., 32, of Hampshire, Illinois.

Loving husband of Alexandra "Ally" Mudrak, nee Avery; cherished son of Scott (Ania) Mudrak Sr. and Karen (Brian Bagley) Landin; devoted brother of Katie (Glen) Chagoya, Tommy Tranchitello and Kelly Tranchitello; fond uncle of Savannah and Forest; beloved grandson of Victoria Landin; loving fur dad of Walter Cronkite and Bob Barker.

Scott's life was defined most profoundly by his love for Ally. She was his partner, his best friend, and the center of his world. Whether they were planning their future, exploring new cities, or traveling together to tropical beaches with sands in every color. What began with snorkeling had recently grown into their newfound love of scuba diving, a hobby he was excited to continue exploring. Scott found his greatest joy simply being by her side. He was incredibly proud of the life they were building — their marriage, their home, and the dreams they shared for the years ahead.

At home, Scott poured his heart into caring for their two beloved dogs, Walter and Bob. Being their devoted dog dad brought him endless happiness. The way he cared for them — patiently, lovingly, and with his whole heart — showed the gentleness and compassion that defined him.

Scott also cherished his friendships, especially the bond he shared with his

best friend, Mike. Whether they were competing in video games, debating comics, trading Pokémon cards, or gathering friends and family for board game nights, Scott and Mike shared a connection built on humor, loyalty, and brotherhood.

Scott's love extended deeply to his family. He held a special place in his heart for his parents whose support and love shaped the man he became. He was a proud and devoted brother to his 3 younger siblings and he adored being an uncle. Scott valued every moment spent with them — holidays, celebrations, conversations, and simple time together.

He felt equally embraced by Ally's family, who welcomed him with open arms and loved him as their own. Scott treasured the bond he built with the Averys, and he was grateful to be a part of the family that meant so much to Ally. Their shared gatherings, vacations, and everyday moments became some of the happiest memories of his life.

Kind, generous, caring, loving, and protective, Scott approached life with a full heart. He enjoyed pickleball and golf, experimenting in the kitchen, exploring new restaurants, and finding adventures near and far. He was especially proud of his blossoming career at Digital Realty and excited for the opportunities ahead.

Scott will be remembered for the love he gave so freely — to Ally, to Walter and Bob, to his parents and siblings, to Ally's family, to his friends, and to everyone fortunate enough to know him. His warmth, humor, and unwavering kindness created a lasting legacy that will continue to live on in the hearts of those he loved.

“*I am so very sorry. I had the privilege of getting to know Ally and Scott when they first heard my band play, and later invited us to perform at their wedding just two years ago. From the moment I met them, their warmth, kindness, and deep love for one another were unmistakable. I feel grateful to have been there and my heart is with Scott's family and friends. Steve Jacobs*

“ My sincere sympathies to Scott’s family and friends. I met Scott while visiting the Chicago area shortly after he started work at Digital Realty. He was one of those people you know, as soon as you talk with him, that he was a perfect fit for his job. His attitude and personality alone spoke volumes about the man he was. His knowledge and willingness to do whatever it took to get a job done and to help his teammates and customers only solidified that impression. I knew he would have a bright, successful future ahead of him.

I was proud to have him as part of our team and even more so for him when he became the Manager and led the Franklin Park Remote Hands team. A shining star whose loss will be deeply felt by all of us. His legacy of professionalism, kindness, and dedication will not be forgotten.

“ Many of us here at Digital Realty worked closely with Scott, and I know this loss will be felt across our entire organization.

Scott was a dedicated member of the Digital Realty team and someone who took great pride in every aspect of his work. When he stepped into his role, he assumed responsibility for a team that was facing real challenges. Through his leadership, patience, and strong sense of accountability, he rebuilt that group into a highly effective, cohesive, and successful team. His passion for developing people, and for setting high standards was evident in everything he did.

Scott was committed to growing his career and had a clear goal of becoming a Data Center Manager. He invested significant time in building his skills and expanding his expertise. He completed 31 out of 77 certifications through the Schneider Electric Data Center College, earned his DCPRO and CNCI certifications, and never stopped pushing himself to learn more.

His technical and operational strengths were matched by his work ethic. Scott had extensive experience in Remote Hands operations and was skilled in risk management, critical analysis, team leadership, project management, shipping and receiving, fiber/coax, rack and stack, and complex cable management. His attention to detail, calm under pressure, and focus on doing things the right way set a strong example for others.

Scott's dedication was recognized many times over the years through the awards he received:

- *Insanely Great Customer Service Award (2019)*
- *Going the Extra Mile – GEM Award (2021)*
- *CEO Circle Award (2022)*
- *10+ Spot Awards (2019–2022) recognizing his consistent willingness to go above and beyond.*

Beyond his accomplishments, what I will remember most about Scott is the kind of teammate he was supportive, hardworking, and

committed to lifting others up. As well as our deep conversations regarding solving the World's problems.

Scott will be deeply missed, and the impact he made here will not be forgotten.

*Sincerely,
Ken Smith
