“ *Always great memories with Scott. He would do anything for the kids. Buy a car and let them spray paint it ? Sure. He even drove the car in the smash up derby in Sycamore. Water gun wars? Absolutely! Canoeing? Sounds like an awesome idea. Camping ? He loves the heat- not! The original grill master! A heart of gold who would do anything for a friend. You will be missed.*

“ As a cousin of Scott's I have fond memories of sleeping overnight when we were young- our awesome fathers bringing us to kiddyland and ball games- reunions-riding the mini bike. Then weddings, more Reinl reunions and then communicating through Facebook- because I live in Wisconsin. The last year or so it's was nice to be able to support Scott through tough times-(through fb and messenger) I always found myself laughing so hard because he was so darn friendly and funny- even in when he was not happy. Thanks for all the laughs Scotty.
Your in good company in heaven.
Your cousin from Wi. Christina.

ETERNAL REST

V. Eternal rest grant unto them, O Lord.

R. And let perpetual light shine upon them.

May the souls of the faithful departed, through the mercy of God, rest in peace.

Amen.

“ *First family camp Scott and Jessie attended with Pack 290 was up at Kettle Moraine State Park in Wisconsin. Scott, being Scott could not allow the Pack to have a normal Saturday night campfire. He brought with him pallets (and i mean atleast a dozen) which he then stacked into the fire pit and that Saturday Night we roasted marshmallows over what could only be described as an amazing campfire that easily got to be as tall as the trees. Scott loved smores almost as much as he loved his sons and that night probably ate 6 or 7. Camping was always fun with Scott. He gave to the pack 2 50 gallon drums which we filled with water and during a hot, june day water gun wars were taken to a whole new level with the access to 100 gallons of water. God I miss this man. You made our lives better. We love you Scott. Tom and Lisa Sears*
