“ *September 03, 2013 Bev, I am so sorry to hear about Scott. I was out of town last week and if I would have known, I would have been there for you. My prayers are with you and the boys. Scott will be in your heart for ever. He and Larry are probably sitting up there talking cyclotrons!*

“ *September 01, 2013 I worked with Scott for many years at Amersham/GE. Scott was always a dedicated engineer, he saved the day many times rescuing production runs, that impacted the lives of many chronically ill patients around the world. He went about his work, with a highest degree of Professionalism, never seeking accolades, characteristics that are so rare these days. I was sorry that I could not attend his memorial, as I was returning from an overseas trip on Saturday. I was truly honored to have met and known Scott, God Bless your family during these difficult times. Kirk Benedix, Arlington Heights, Illinois*

“ Dear Bev,
I am saddened by your loss. I, too lost my husband to cancer this past June. The loss is so great, but I'm told God has a plan for us all and we need to trust in Him. My deepest condolences and may you find comfort in fond memories of your life together. I was a classmate of Scott's from Smyser & Steinmetz and we visited briefly last at the reunion at the race track. He was always pleasant and kind and will be missed by all. May you find peace in the days ahead with family and friends.
Sincerely,
Cathy Ruszel

A man so proud of his family and their accomplishments. Soft spoken and kind to everyone that worked with him! “ Dear Bev, Adam and Christopher,
We are all deeply saddened by Scott's passing. It was wonderful to have been able to spend some time with him and meet Bev at our reunion in 2008. Scott will always be remember by his classmates as “one of the gang”. So many fond memories together growing up. Please know that he and your entire family are in our thoughts and prayers. In Loving Memory,

“ Dear Bev, Adam and Christopher, I am so very sorry to hear of your loss. You have my heartfelt love and prayers at this challenging time. I've greatly enjoyed all the time we've all shared as friends watching our Special athletes do the sports they love; bowling, track & field, volleyball & basketball plus much more these past years. I will miss my classmate friend who's helped me more than once over the years when Eric needed assistance. God rest his soul and my God bless you all.

“ *Bev, Christopher, and Adam- Our hearts go out to you hearing the loss of Scott. Your father was a kind and gentle mentor to many of us. We have all been blessed to have been touched by his involvement in our lives, even if it was many years ago. One of his greatest gifts to us was his patience and pride in teaching us and the flash of pride you would see in his brilliant eyes when we finally “got it on our own”. A gift that many of us learned from him and have shared in our own journeys and passed forward. He has left us better people and a better world, we cannot thank you enough for sharing him with us. He now watches over us with that same sparkle in his eyes and hearty smile that we are the kind and understanding people that he wanted in us all.*

“ *It’s been a number of years since I worked with Scott at Amersham/GE. I remember him as someone with a great disposition, a willingness to always pitch in and lend a hand, and a guy a consistent smile on his face. It saddens me to hear of his passing. The world has lost a great guy.*
