“ *I'm heartbroken to hear of Sharon's passing. We worked together and were great friends in the 80's. We had so much fun and I'll always cherish those memories. Eventually, life got in the way and we lost contact. I had just been thinking about her and decided to search on FB. My heart goes out to her family and all that knew her. A beautiful soul that I was lucky enough to call my friend. My deepest condolences during this sad, sad time. 💕😞🙏🌸*

“ *We went to the same grammar school, but I don't recall ever meeting her. We became friends on Facebook through our grammar school page. Sharon put a smile or more every day with her funny and witty posts, and we both loved the Blackhawks. RIP my friend*
