“ The best memory I can think of and there are many we grew up since 17 yrs old but obviously the day he invited me to the hospital to see his son who was born ,the smile on his face, his wife and his mother sitting there, and I got the honor to see his newborn son, Christopher believe me nothing can compare to that. Yes people always say you were best friends with Stan I say yes but his best friend is Christopher. He would send me pictures of him playing football. He would send me pictures of his son's perfect report card he would give me updates on everything Christopher is doing those are my best memories. I say yes but his best friend is Christopher. He would send me pictures of him playing football. He would send me pictures of his sons perfect report card ,driving a 4 wheeler on the neighbors lawn he would give me updates on everything Christopher has accomplished. I will always remember him as a great friend and a great father “The Best” person you could ever know, and fortunate to know this person, my friend Stan
GOD BLESS you my friend and your family.
