“ You will always be in my heart forevermore ❤️🙏 Growing up with you as a child, I have often thought about you and your sister and brother through both my adolescent and adult years. I remember how sweet and funny you always were as well as a bit mischievous 😄 but always adorable 🥰 and kind. I will never forget the sound of your laugh 😊 It always made me smile and giggle 🥰 too. You were always a beautiful boy and grew up to be a fine handsome young man. I didn't have the privilege of being a part of your life after our childhood years together. But, I always will remember you as family ❤️ The love I have shared with both your Mother and Father and siblings. I will always cherish. I pray for The Holy Spirit to comfort your children and family with His perfect peace, beyond all understanding. I pray that The Lord will give your children and family hope and healing 🙏 Something only our Father in Heaven can do 🙏 I ask The Good Lord daily to heal your Mommy's broken heart and to stay strong and well ❤️👉 Your children will be your legacy 💕 They are all so very special and beautiful just like their Daddy. May your precious life, live on through them. Your light will never fade away. It will remain in all of us who have loved you are whole lives. As well as some you have touched with your kindness that maybe you weren't even aware of. But, God knows all. It will be 2 years on Monday since you have gone. Yet, deep in my heart you have remained whole and alive and well. I thank Jesus for His comfort in our times of sorrow. Until we meet again, Stephen ❤️ All of my love and sympathy for your family and friends. I love you Stephen ❤️ Your family and friend ❤️ Julie Roberts.

“ *Larger than life, a personality that was contagious. Bold and Charismatic. He had a gift for cooking, loved serving others and giving. He sucked as much fun out of this life as he could. Always willing to help others. He worked hard played hard and had a knack for perfection. Peace & Love my brother!*

“ So many memories of Steve but probably some of the fondest memories were our tubing trips! Even in the coldest rainiest weather Steve wanted to go tubing! Everything was f-ing beautiful! We always went in August and by December he was all ready asking Brian when we are going again! Steve always showed up with food in hand when invited over and thankful to be there. He will be dearly missed.

“ Stephen could charm you with his smile, was a mischief-maker extraordinaire, and was always ready for an adventure; the very definition of a “scamp”. Boundaries were for breaking, risks were for taking and tales were for telling; Indiana Jones had nothing on Stephen.

*Invictus*

*Out of the night that covers me,  
Black as the Pit from pole to pole,  
I thank whatever gods may be  
For my unconquerable soul.*

*In the fell clutch of circumstance  
I have not winced nor cried aloud.  
Under the bludgeonings of chance  
My head is bloody, but unbowed.*

*Beyond this place of wrath and tears  
Looms but the Horror of the shade,  
And yet the menace of the years  
Finds, and shall find, me unafraid.*

*It matters not how strait the gate,  
How charged with punishments the scroll,  
I am the master of my fate:  
I am the captain of my soul.  
William Ernest Henley*
