“ True gratitude, true respect and true admiration just can't be expressed adequately in words. Steve was a friend when I had nothing to offer back in return. He encouraged me to pursue a law degree when I was far from the kind of guy who could ever be a lawyer. I'm a lawyer now, Steve. I run a small firm. Pretty sure you'd be proud. Rest in Peace my friend.

“ Our thoughts are with you Danielle and Mark, your father was truly one of a kind! We first met Steve n Toni on vacation in Jamaica and became friends immediately. Steve's charm, wit, and love of life truly lit up a room with his presence. We shared many years of vacations, concerts, boating, and just laughing at the silliest things. We shared a motto n Steve was a charter member, we would introduce ourselves on vacation as the F'ing Nobodies, people would look at us kinda funny then I would say to Steve “who has more fun than we do?” Steve would say F'ing Nobody. Our shared love of Jimmy Buffet and the concerts we went to with Steve n Toni are cherished memories of a great man and may your spirit “Sail On” my friend , luv ya buddy
