“ Omg, was just going through my friends on facebook, and discovered Steve had passed away! So very, very sad. Steve and I worked together at the CBOT over 28 years ago, and friends for a long time. I remember being at a commodities conference in CA, and him announcing he was getting married. A friend of ours had his own plane, so we hopped on and flew to Vegas. I was Maid of Honor. It was so spontaneous and so much fun. Steve will be missed. Prayers and (late) condolences to his family and friends. I will look for those pictures, and post when I find them.

“ To the family of Stephen J. Remsing,

My name is Clay Jones. Stevie and I were business partners (Long Tree commodities) as well best of friends. I was totally CRUSHED when I learned about his passing. I do not have the words to even begin to tell you how much Stevie meant to me. Please accept my deepest sympathy and condolences.

I could write a book on some of the great times I had with Stevie. My wife and I doubled dated with Stevie and each and every time we got home she talked about how much fun we had for the next 2 wks. Our favorite hangout was Greek Town. When I walked into the Parthenon restaurant with Stevie I felt on top of the world. The owners and waiters knew him and Stevie always treated them so warm and friendly. Stevie made it a tradition that when ever a client came to town we knew Greek Town was just 1/2 hr. after the market closed. To this day when we go to Greek Town one waiter in particular always asks about Stevie.

I could go on and on. I truly loved him.

“ *I was a coworker of Steve's from around 2009-2018. He played "Love Shack" by the B-52's on his computer when he'd get a sale. He was a very open and generous person. Peace to Steve and his loved ones.*
